HRANT TADEVOSYAN

*Chairman of the Board,
General Director
of Gazprom Armenia CJSC*

In 2015, with the joint efforts of "Gazprom" OJSC and "Gazprom Armenia" CJSC the construction of the Educational-Sport Complex was started.

2019 with the opening of the Educational-Sport Complex was marked in the history and in the large-scale activity of our company. It should be noted that we have fulfilled the goals with honor, as a result of which the complex is unequaled both in our country and in the whole region. Our complex which has become a reality today is unique with its laboratories, classrooms, equipment, sports, art branches, and other facilities.

Today distinguished specialists in education and sports are working in our complex. I believe that education is the most valued capital, the most justified investment, and the precondition for progress. Undertaking the vital mission of providing quality education, the Educational-sport Complex of "Gazprom Armenia" will certainly play a big role in shaping an educated, competitive and healthy generation. I am sure that as a result of the professional, dedicated and persistent work of both the management and the staff, the complex will become an exemplary leader in the field which is typical to "Gazprom Armenia".

ALEXANDER GRIGORYAN

*Director of Educational-Sport Complex
of Gazprom Armenia CJSC*

In 2019, the Educational-Sport Complex of Gazprom Armenia CJSC was brought to life, the grand opening was entrusted to us.

This key event is very important and binding for all of us. I believe that our steps towards building an impeccably historical path will succeed because we will put all our joint efforts, and that will be a success for all of us. Our complex comprises a school, a kindergarten, an ice rink, a sport and health center, and a swimming pool, which are intended both for our students and everyone interested. Our complex uses all its facilities for one main objective - equal opportunities for the development of the students.

The implementation of a deliberate human resource policy was a vital point on our agenda, and today distinguished specialists in education and sports are working in our complex. Each employee of our complex is experienced, innovative, and fully committed to work. I am sure we will have a stable development and students with a large scale of knowledge and achievements, competitive graduates who will be the foundation of the knowledge-based society and the future of Armenia.

HISTORY

On April 16, 2015, the foundation stone-laying ceremony of the "Educational-Sport Complex" Enterprise of "Gazprom Armenia" CJSC was held in Yerevan, the capital of the Republic of Armenia. The President of the Republic of Armenia, the Chairmen of the Board of Directors of Gazprom OJSC, and the Gazprom Armenia CJSC participated in the event.

The construction of the educational complex was carried out in the framework of the "Gazprom for Children" large-scale project, and the full funding was provided by "Gazprom" OJSC. The construction of the educational-sport complex began in April 2016 and lasted for about three years.

MISSION, VISION, AND PURPOSE

The Educational-sport complex sees its mission in the formation of free, harmoniously developed, thinking, and creative individuals.

The vision of the complex is to become one of the leaders in the market of private general educational institutions in Armenia - by providing the best opportunities for free and harmonious development of healthy children.

The purpose is to create a healthy and safe environment that will enable children to have intellectual, spiritual, and physical development promoting knowledge and social skills.
